SINGLES

Raising a generation of people who will say NO to Sex outside marriage, with God in focus, His Word first place, and walking in the Spirit daily.

COUPLES

Emphasizing marital commitments, sanctity, good family life, and restoring godly passion in marriage

Some Past Meetings of Kisses & Huggs Club

Kisses and Huggs Club began in 2007 with Newsletter publications and Club Meetings. In 2007 we held a Mega Conference in the University of Ibadan.

Over the years, we've had meetings in several places. In 2010, we added online efforts through KHC Devotionals.

Over the years, several singles and couples have been impacted. Fast forward to 2024, we are returning to the Campuses to raise more armies of sexually sanctified people!
